The best under the sun

## markilux shadeplus

At just the touch of a button, the optional protection from glare and prying eyes creates an enviable, private room outdoors.

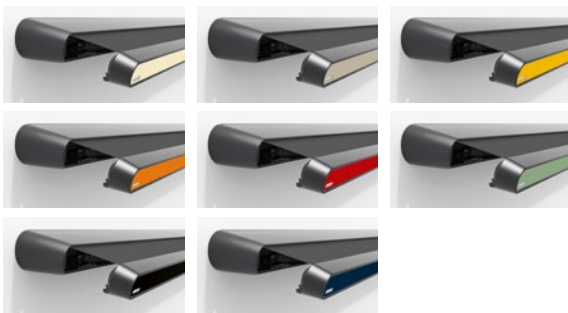

## LED-Line and LED-Spots in the front profile

Gives uniform lighting (RGB-WW) and a pleasant ambience after sunset.

## LED ambient lighting

An impressive eye-catcher in the evening hours. The translucent, white front panel is colourfully backlit (RGB-WW), controllable and dimmable.

## A personal statement on any façade

The markilux MX-1 compact with a cassette depth of 38 cm is an eye-catcher and solar protection in one. The frame and screen profile are available in a range of colours that can be freely combined.

## Cassette awning

max. 700 × 415 cm, cassette depth approx. 38 cm

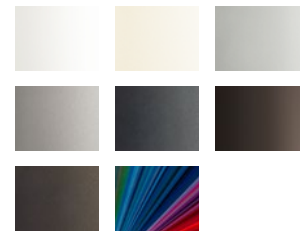

## Arm technology

bionic tendon

## Options

coloured lighting (RGB-WW), LED-Line / LED-Spots front profile, LED ambient lighting, LED-Spots cassette (WW), colour combinations, shadeplus, valance

## Awning colours

## Awning cover fabrics
