Arm technology
bionic tendon

Options
LED-Line folding arms (WW),
front profile end caps /
end cap inserts polished chrome,
coupled awning,
stretch

LED-Lines in the folding arms

Turn night into day. And make your al fresco lifestyle more comfortable and pleasant.

Polished chrome fittings

Side caps matching the awning colour or deliberately emphasised in finely polished chrome finish. This awning can simply wear anything.

Awning colours

Awning cover fabrics

markilux 1710 stretch

Gives an impressive performance on narrow patios, balconies and in recesses: thanks to the two crossover arms even awnings with a narrow width are able to extend considerably further.

More cover without a cover cassette

Also available without a cover cassette, the model variant markilux 1700 can be extended up to 400 cm to provide even more shade.

markilux designer awnings. Made in Germany.
Create the most alluring shade in the world.
