A good plan: outdoor living. From markilux of course.

Outdoor living

Enjoying life outdoors, in the fresh air – that is pure quality of life. And, in combination with attractive sun and wet weather protection from markilux, this pleasure increases considerably.

- **Extension of the outdoor season and increased capacities**
to increase sales in the catering sector.
- **Motivation of employees**
in terms of modern work-life balance for companies.
- **Meeting place and open space for relaxation**
for patients, residents and visitors in social facilities and clinics.

Find a lot more inside. **For outside.**
Just ask us.

Exclusive project planning: fantastic.

The right path: partnership.

On the way to your individual large-area shading, you will reach your desired goal together with us – safely and step by step.

- The markilux solar protection know-how and the **expertise from your local specialist dealer** guarantee practical solutions which are specially tailored to your requirements.
- **Premium quality made in Germany.** Use of state-of-the-art, expansive sun and weather protection systems with tested technology: safe, innovative and pioneering in the industry.
- **Individual planning and implementation** for optimum utilisation of the areas to be shaded, functional in use and visually elegant.

Warmth for more comfort on cool days

LED lighting for evenings full of atmosphere

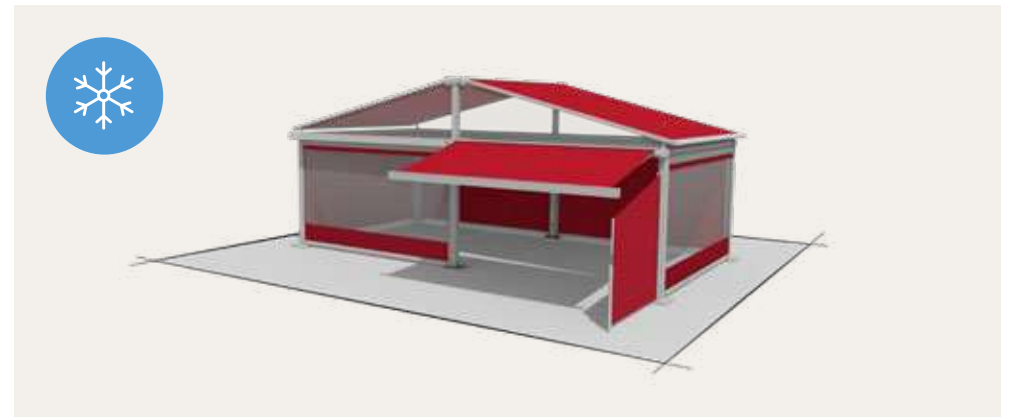

Spring – Enjoying the first warm rays of the sun. Creating an atmosphere. Arousing emotions. Increasing sales. Early on in the year.

Summer – Spend the day outdoors in the most alluring shade in the world. Under your own personal awning landscape.

Autumn – Lengthen the outdoor season. Sit protected from the wind and rain. Outside, where it's more enticing.

Winter – Vertical blinds, LED lighting and energy-efficient infrared heaters turn night into day and even make your favourite spot attractive when it's cold.
